Recently **“Warrington Youth for Christ”** has had to make the choice to pull Kim out of the Stockton Heath and Appleton area to concentrate on the opportunities in Latchford and Westy. This means they no longer have a worker in our area. They'd like to recruit someone to dedicate to our area. Would you care to increase your giving to them or start a new regular plan of giving in support of this ambition? Go to **“Warrington Youth for Christ”** on-line and follow the donate option. Many thanks for investing in the spiritual growth of the young people of our area.

Please Note: Fire Safety The person or persons responsible for securing the church when leaving must check all fire doors. These doors must be fully closed and must not be held open with any object. Failure to close all fire doors will result in the insurance not paying out in case of a fire. These doors are also designed to halt the spread of fire if they are fully closed.
