

Study Guide

6th September

- What stood out to you from Sundays service? Now you're in a smaller setting, is there anything you would like to share now?
- Read 1 Cor3: 10-13 and Matthew 7:23-27. Consider the imagery of foundations - do you feel as though you have solid or wobbly foundations at the moment?
- On Sunday we took time to name the things God has done and thank Him for them. What other practices could help firm up our foundations?
- As we end our time without a minister, consider the journey we have been on, both as a church and as individuals, over the last 2 years. Take some time to share your reflections of how God has been at work and what you have learnt through this time.
- As Reg begins work this week, take some time to pray for him and for all God has in store for Hill Cliffe and the wider community.
